SUPPLEMENTAL AMENDMENT

Dear Sir:

Applicant has now filed a revival petition under 37 CFR 1.137 Petition to Revive Based on Unintentional Delay (Form SB/64) in view of the lost Response mailed on August 26, 2003 by Applicant's former attorney Norman Friedland in response to the April 4, 2003 Office Action mailed on April 25, 2003. Accordingly, this application is revived and ripe for examination and, respectfully, allowance.

In view of the inordinate delay encountered by this application, both now and during the past five years since its filing date, and wholly outside the control nor fault of the Applicant, Applicant respectfully requests an expedited examination. In addition, Applicant takes this opportunity to add the following dependent claims.
